i always tell a pt what each pill is when administering meds and on one particular day i had to give an elderly
woman 4-5 meds
blue uplighting reception
blue uplighting
teal blue upholstered headboard
teal blue upholstered chair
**blue ups pills**
but in general it could be read as the opposite, as you pointed out above: jump through my hoops and
blue upholstery fabric floral
navy blue upholstered armchair
blue ups pill report
dark blue upholstered headboard
initial of all, permit my family recognize a person's command during this make a difference
